FULL STATEMENT OF ATROCITY OR CRIME

This MUST be signed by the person making the statement and countersigned by the interrogating officer at the end of the statement.

- I Cpl Guthrie; W.C.(VX 23312) who was unarmed, wearing the red cross upon his arm, and left in charge of the hospital at Baboe, Timor, from which, fortunately, patients had been removed a few hours before, was hanged from a tree and had his throat cut. Troops of the Sparrow Force reported this incident. Personally, I verified the fact that Cpl Guthrie had met his end in this way by having to exhume the body from a slit trench in which it had been placed temporarily, in order to recover his identity disc and place his body in a place where it might not escape notice.
- II While traversing country where the Okabeti and Tjamplong roads cross in Timor, looking for dead to give them burial I came across the bodies of 8 Australian soldiers tied together by rope around their wrists. Each had been shot through the head at close quarters. Later it was related that 11 sick men were being removed to the Tjamplong Hospital when captured by the Japanese. After some time the Japanese decided to shoot all the prisoners but three men succeeded in breaking their bonds and escaping. One of the men, whose name I lost during a voyage, reached the Oesapa Besar Prison Camp and confirmed my theory formed from the evidence I had discovered.
- III Pte Terry, E.F. (TX3597) was taken from the Oesapa Besar Prison Camp to drive a truck for the Japanese. During one of his trips he suffered a breakdown to his truck. He was charged by his guard with sabotage, became angry and struck him. For this offence he was shot without trial. Lt. Hirada admitted this. Lt. Hirada was the second officer appointed to the Oesapa Besar Prison Camp succeeding Lt., later Captain, Fukada.

IV A native, familiarly known as Tommy "Broome", the latter name because he had engaged in pearling in Broome, West Australia and was the proud possessor of a discharge certificate which stated that he had rendered faithful service in his work, spoke to me as I passed him on my way to bury dead after capitulation. Hidashi Hioki, who claimed to be attached to the Tokyo Times in normal times but seemed to be a member of Japanese Intelligence Staff during the war on Timor, was acting as guard and immediately took Tommy into custody. He had him soundly beaten with a large piece of wood, upon his arrival in Tjamplong. I interceded on the native's behalf but my efforts were fruitless. He was taken into a building and a shot rang out. Hioki smilingly told me that Japanese soldiers were merely taking care of my native "friend." His death was confirmed by another native later.

To the best of my belief the above particulars ^{/s/ T. W. Bindeman}
are correct.
